

## Welcome Campers!!

The 2011 camping season is finally here! Welcome to all our campers, new and "old". We wish everyone a fabulous camping season with lots of memories to be made!

With the long old winter now just a memory, I think it is safe to say everyone is ready to bring on the sun and warm days!!

Our first night here at the Cranberry proved to be perfect! Very warm, no wind and lots of stars overhead. An awesome night for being outdoors, visiting summer friends and good

times.

All you campers were in it for the long run—with lots of overnighers, (some even in tents), the cold and rain Saturday brought did not dampen anyone's spirits. By 5:00, the smell of campfire was in the air!

The washer toss tournament was postponed until Sunday. With a few extra layers of clothing on, they braved the cold temperatures and battled to the end with Reg Brightman and Robbie Cromwell finishing first. Patsy

Atkins and Scott MacKinnon finishing second. Way to go guys!!

### HAPPY BIRTHDAY!

Danny Atkins is the birthday boy, as well as his wife Patsy, celebrating a birthday last week as well. Happy birthday to Maggie in site 16 and Lisa Fraser in site # 43. Here's to you

**Volume 5, Issue 1**

**May 21st, 2011**

### June Stuff:

- *Minute to win it*
- *Western night*
- *Fathers day craft*
- *Fathers day brunch*
- *No more school party*
- *Kids night swim*

## Just a reminder ...

Just a few reminders to pass along to everyone ...

Please pay attention to the labels on the designated garbage bins. Food does not

belong in the same bin as the plastics, etc.

Please remind visitors that the speed limit within the campground is 10

kms.

All overnight visitors must be registered. For safety reasons, it is important to know who is staying in the campground.

## 50/50 Activity Fund

We will start the 50/50 draws again this weekend. Thank you, all campers for your support. This money goes towards the purchase of fireworks, craft supplies, planned events, i.e. Easter bunny costume rental, prizes etc. We have a surplus left over from last year. Again, this year, I will ask if anyone would be interested forming an Activity fund committee, if so, please let Janet know. It would be greatly appreciated.

## This weekends events

So, Kids, we are going to start the first challenge in Cranberry's Minute to Win it. What crazy trick will it be this week? Unfortunately, our prize this week is not thousands of dollars, but it will be pretty cool! 3:00 at the "A" frame. Please sign up in the laundry room. Everyone welcome to come watch!

Also, Saturday night, in the "A" frame, it will be a pub night. Bring your favourite finger food, the microphone will be on, so

bring a story or your best comedian act or joke too! Starts at 9 pm. Sign up will be in the laundry room as well. Hope everyone can come!

## Upcoming Events.....

It is hard to believe May is almost over, here we are in the last weekend. June is coming up quickly and with June, we have a lot of fun planned as well! June 10th and 11th is Wild West Weekend. Break out your

country attire, design your own horse and shine up your squirt gun!

Next is Fathers day—June 19th. On Saturday the 18th, all children can join in making a fathers day craft then on Sunday, it's a fa-

thers day brunch—kids will serve their dad and show them just how special they are! Then... End of school celebration! Kids, we are gonna party and bring in the summer kids style!!

## Baseball & Kids Washer Toss

We are going to try family base ball again this Sunday, June 29th in the bottom field (in front of overnight section) Bring your gloves and bats! Start time will be at 3:00 (weather permitting). I would like to designate a time when we can hold kids washer toss on the weekends. Any suggestions, please pass them along. Thanks!!
