

## The Cranberry News

### Miss Cranberry 2011

The crowd was crazy with laughter as the contestants in the Miss Cranberry 2011 beauty pageant strutted their stuff. With all our participants delivering a knock out performance, the over 100 vote count proved Diva Davette (Dave MacKenzie) as Miss Cranberry. The Lismore Lush, (Scott MacKinnon) was a close send, earning the title of the first lady. Miss Congeniality went to Felicity Shagwell (Mark Eisses). Great job ladies. Honourable mention to Steamy

Georgina (Jason Lauchlan) who shaved his long time facial hair just for the occasion. Also, Cinderella Gordina, Easy Ethel, Rockin' Roxy, Florence and Betty deserve recognition for their stage presence and ability to join in on the fun. To all who entered, we thank you so much! Without you, there would be no show! For more contestant photos, check us out on facebook! I think it is safe to say having the pag-

Diva Davette receives her flowers and crown as she sheds a tear or two in disbelief that she actually won the title of Miss Cranberry 2011.

ent in July works out much better than having it in September. I think we are all looking forward to next years competition!
