

Cranberry Campground

The Cranberry News

The hottest day of the summer so far, and we celebrated Christmas!! With temperatures feeling like 40 degrees, we had a great turnout for our Christmas dinner. Thank you to all who slaved over the stove making potatoes, carrots etc. on such a hot day. Also, thank you to our “master roasters” who toughed out the

hot temperatures inside the “hut”.

The most festive decorated trailer award goes to James and Dorothy Crossman—great job guys!! Thank you! It was so nice to see even the overnights drag their Christmas decorations out!!

The children all enjoyed their “sleigh ride” with Santa. Thanks Santa for taking

time out of your busy schedule!!

The gingerbread house making and the snowball fight were a big hit (literally) with the kids! A good time was had, for sure!!
