
The Cranberry News

Can you believe we have reached the halfway mark of 2014?

RAIN, RAIN GO AWAY!!!

If the long range forecast is correct, all this weather will be well worth it! High 20's predicted for the following few days, with lots of sunshine and blue sky!!

Last weekends rain didn't stop the ice cream sundae making or the kids washer toss tournament. We moved it to the pole barn and congratulations to Kevin and Joseph for their big win!! We had a good amount of kids show up and they all had fun! See you all this week!!

Heather Campbell is a seasonal camper at Cranberry who enjoys and shares epicure products. Heather

will feature a product each month on our news that compliments camping food!!

This months epicure Feature for July is "Big Burger Sauce". This product is a must have for burgers, oven fries, sandwiches, grilled meats and dipping! It's delicious with wraps, potato wedges and chips too. It's low in calories and sodium compared to other fast-food sauces. Simply mix with mayo, ketchup and a hint of relish. We keep a bottle mixed up in our fridge all year round.

Please contact Heather, site # 35 for more details!!

BE BEAR AWARE

Please do not panic, there has been no evidence of a bear within our campground, however, we do need to practice due diligence and realize that there are bears around us. The department of Natural Resources has given us pam-

phlets for our knowledge on how to "unattract" bears. If you haven't received one yet, you will :)

At this time, we ask all of you to make sure there is no garbage in your fire pits and that

all garbage, recyclables and compost are put in their proper containers. If you have children, it is also a good idea to make them "bear aware" as well.
